COUNSEL

Defendants.

SARAH NETBURN, United States Magistrate Judge:

Defendant Roger Fidler's April 7, 2025 request for *pro bono* counsel is GRANTED. The Clerk of Court is directed to attempt to locate *pro bono* counsel to represent Defendant.

In this case, the Securities and Exchange Commission has charged Defendant Roger Fidler and his co-Defendants with violations of the Securities Act and the Exchange Act. In part, Defendants are charged with devising and executing a reverse merger and making fraudulent representations regarding securities issuances and sales.

Defendant is reminded that he does not have a constitutional right to *pro bono* counsel and there are limited lawyers available to volunteer to represent *pro se* litigants. Accordingly, unless and until a *pro bono* lawyer agrees to represent Defendant, he must proceed on his own behalf.

SO ORDERED.

United States Magistrate Judge
